Auto-Tech Plastics is a domestic manufacturer of Replacement Body Side Moldings, Bumper Impact Strips and automobile styling accessories.

Founded in 1989, Auto-Tech is currently celebrating its 19th year in business. Boasting a staff with over 65 years experience in the automotive industry. It is currently housed in the company owned facility located in Mount Clemens, Michigan.

In servicing the aftermarket industry Auto-Tech has established a reputation for quality products and service. Auto-Tech is a proud member of the ABPA, Partslink, BBB and SEMA. Auto-Tech has always provided their replacement moldings with an unconditional Lifetime Warranty and maintains a 99% fill rate and 48 hour shipping.

Auto-Tech has recently embarked on an aggressive product development program for their Body Side Molding and Bumper Impact Strip line. Our stated goal is to expand our position as the largest manufacturer of aftermarket replacement moldings
